2016 LGC LEADERSHIP & BUSINESS FORUM

Introduction

Given current growth predictions, emerging markets and developing countries hold significant promise for private and institutional investors who are searching for a means to diversify their portfolio, explore new opportunities and grow businesses that will generate higher yields. To this end, the LGC 2016 Leadership and Business Forum would provide platforms of opportunities for governments, businesses and investors in Nigeria and North America to:

- Showcase the opportunities available in these countries, identify latest opportunities, challenges and identify/clarify the solutions, facilities, future potentials for successful investment and business development
- Announce new concrete initiatives and forms of partnership within a global platform and specifically in Canada and Nigeria
- Creatively maximize growth potential and value through access to Information, knowledge sharing, market intelligence, Innovation and Investment that abound in various states/locations/provinces
- Partnering for Opportunities and Business Development
- To effectively Network with diverse business groups, senior government officials, business executives and other high-level stakeholders.
- Attract international and regional investors and to promote partnerships with local companies
- Promote collaboration between Ministries, State Companies, super-majors, independents, local partners and the international community
- Discuss issues of common interest among the countries and identify real solutions to the problems

Why Attend

LGC Leadership and Business Forum 2016 is the leading annual thought-provoking, informative and networking leadership and business forum focussing on key sectors of Nigerian and Canadian economies. It thus creates opportunities to:

- Hear distinguished industry experts speaking at the forum, covering the depth and breadth of these specific sectors of the country's economy
- Meet and network with leading industries professionals, senior government officials from Nigeria and Canada including senior executives such as CEOs, Managing Directors, Vice Presidents, Partners and Senior Managers
- Learn about the future and direction of government policies in the new dispensation
- Engage and close business deals, entertain clients and network with industry leaders at LGC 2016 Leadership and Business Forum, Lunch and Dinner.
